

## African Training and Research Centre for Women of the Economic Commission for Africa

The African Training and Research Centre for Women (Centre africain de recherche et de formation pour les femmes) was created on 31 March 1975 by the United Nations Economic Commission for Africa for the purpose of aiding and encouraging member states of the ECA to promote the integration of women (particularly rural and poor urban women) in development by improving the skills of women and the opportunities available to them and by, *inter alia*, undertaking research on African women.

Most of the titles in this set have been cataloged individually and can be found in [CRL Catalog](#). Requests for inter-library loans should be made by individual author and title rather than by set.
