CRL Webinar: Print and Digital Archiving

How HathiTrust and Portico Factor into Print-Archiving Risk Analysis

Marie Waltz, Center for Research Libraries
Are digital repositories a backup for print repositories?

....or do Print and Digital together become the backup?
What is a Trusted Digital Repository?

A trusted digital repository is one whose mission is to provide reliable, long-term access to managed digital resources to its designated community, now and in the future.

Portico and HathiTrust have been Certified by CRL as Trusted Digital Repositories (TDR)
Portico’s Role in Print Preservation

• E-Journal Holdings Comparison service
• Coverage expanded to the 8,000-10,000 already-digitized titles, or more than 10 linear miles of shelving, including many STEM journals.
HathiTrust’s Role in Print Preservation

“To stimulate redoubled efforts to coordinate shared storage strategies among libraries, thus reducing long-term capital and operating costs of libraries associated with the storage and care of print collections.”
