# Mining Serials Reformatting Data for Preservation

A Quick Review of the Results

Center *for* Research Libraries  
GLOBAL RESOURCES NETWORK

## **NEH Funded Planning Grant**

Is information about reformatted serials relevant to libraries making decisions about preservation and maintenance of print serial collections?

NATIONAL ENDOWMENT FOR THE

**Humanities**

## Serials are Hard to Archive

In 2017 approximately 91% of critical corpus titles did not have registered commitments in any of the shared print collections in PAPER.

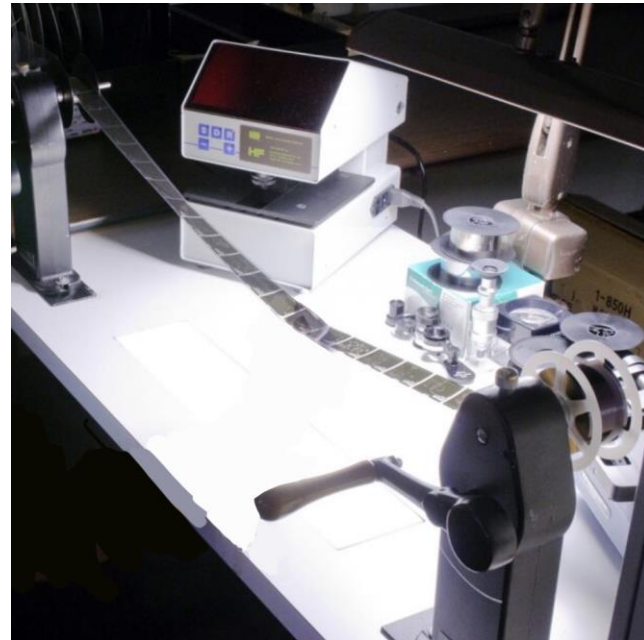

Print journals are difficult to archive: Gaps in runs, missing content.

## NEH Reformatting Programs

- Consortia and individual library programs
- Selection
- Preparation
- Standards

## Pro's

- **Access**
- **Long-term  
Preservation**
- **Completeness &  
Condition**

## Con's

- **Data**
- **It's Microfilm**
