

Wednesday November 16, 2016 12:00 Noon-3:15 p.m. Central Time

Licensing Big Data, an eDesiderata Forum, is a virtual event that will survey the landscape of large databases, datasets, and other major electronic resources with an eye toward shaping CRL and NERL licensing agendas, and informing investment decisions at member libraries. We invite representatives of member institutions to help CRL identify important “big data” resources of interest to their communities, by sharing their ideas on eDesiderata.

Session I: Business and Financial Data 12:00 Noon-12:55 p.m. CT

- *Moderator:* Cynthia Cronin-Kardon, Business Reference and Resource Development Librarian, Lippincott Library at Wharton School, University of Pennsylvania
