

### Newspaper Titles on Microfilm Discontinued Effective 12/31/2017

As proposed in the CRL FY 2019 budget, approved by the Council of Voting Members in May 2018, CRL has discontinued subscriptions to the following mass-market newspapers on microfilm, effective December 31, 2017. The reduction in domestic newspaper microfilm subscriptions is necessary to permit CRL to focus its resources on acquiring and filling gaps in foreign titles and other newspapers that support researcher needs and are not widely available from other sources

CRL members may continue to nominate titles through the [Purchase Proposal](#) program, and newspaper dates not held through the [Demand Purchase](#) program on request by CRL member institutions.
