**“Momentum”**

A faint, light-colored world map is visible in the background of the slide, centered behind the text.

## Building momentum

1. Focus on major domains
2. Supporting local investment and decisions
3. Critical mass of shared digital assets
4. Beyond FY 2014

# 1. Focus on four major domains

REVIEW

*Nineteenth Century Collections Online (NCCO)*

Overview

Analysis

Details

Appendix

**ABSTRACT**

Gale Cengage anticipates that *Nineteenth Century Collections Online (NCCO)* will be an extensive database with multiple content types, covering most regions of the world, developed in a rolling release over several years. The release of the first four collection modules is scheduled for spring 2012.

Review Released: Jan 19, 2012

Last Updated: Feb 3, 2012

Feedback

*This review is in progress. CRL is working to gather more information and critical assessment. We encourage our community to submit comments on their experiences with the database.*

**SOURCES**

Sources for this review include information publicly posted or obtained directly from the publisher, data collected by CRL staff and members, and examination of the digital collection when possible. Other sources are noted where cited.
