

Using the Linda Hall Library/Center for Research Libraries Partnership via RapidILL

Barbara Coopey
Asst. Head, Access Services
Head, Interlibrary Loan
Penn State University Libraries
UPM

Support the University's mission of teaching, research, and service

One library geographically dispersed across 23 campuses

Provide quality service to users regardless of their location

Over 130,000 faculty, staff, students

University Park – main campus 46,000 students

World Campus – online degrees 13,000 students

Research labs and extension staff throughout the state

ARL Library (Association for Research Libraries)

8th in the ARL Investment Index Rankings (2013)

7 million volumes

400,000 ebooks

4 million+ full-text articles downloaded from databases

PENNSTATE

UNIVERSITY | LIBRARIES

INTERLIBRARY LOAN

Process over 140,00 borrowing and lending requests/year
50,000 borrowing requests (20,000 article requests)

Borrowing article processing centralized at University
Park for:

22 campuses (George T. Harrell Health Sciences Library @ Penn State Hershey has their
own ILL processing)

World Campus/Distance researchers

Use ILLiad as ILL management system

Articles posted within the user's ILLiad account

INTERLIBRARY LOAN

August 2012 : Penn State joined RapidILL
Setup included RAPID LHL4CRL

Gave us immediate access to the combined CRL and
Linda Hall science, technology, and engineering print
serials

As a member of CRL, we receive articles at no charge
from LHL via RapidILL

PENNSTATE

UNIVERSITY | LIBRARIES

INTERLIBRARY LOAN

60% of our article requests are filled via RapidILL
20 hours: Average turnaround time from request sent to delivered to web

LHL via RapidILL (2013):

116 requests were filled by LHL

10 hours: Average turnaround time from request sent to delivered to web

We Value Access to the LHL Collection

*Sampling of journals held by LHL from which we recently received articles
with # RapidILL holdings*

Asian Journal of Chemistry (2)

Denki Gakkai ronbunshi. A, Kiso zairyÅ (3)

Gidrokhimicheskiye Materialy (1)

Journal of Low Frequency Noise, Vibration and Active Control (3)

Koks i Khimiya (2)

Nongye jixie xuebao (2)

Nordic pulp & paper research (2)

Physiologiya Cheloveka (Human Physiology) (2)

Revue Generale du Froid (1)

Revista Portuguesa de Quimica (1)

Svensk Papperstidning (1)

INTERLIBRARY LOAN

Who requested the article? (User's Status and College)

Asian Journal of Chemistry – *Faculty, Earth and Mineral Sciences*

Denki Gakkai ronbunshi. A, Kiso zairyÅ – *Grad Student, Engineering*

Gidrokhimicheskiye Materialy – *Grad Student, Agricultural Sciences*

Journal of Low Frequency Noise, Vibration and Active Control - *Grad Student, Engineering*

Koks i Khimiya – *Faculty, Science*

Nongye jixie xuebao - *Grad Student, Engineering*

Nordic pulp & paper research - *Faculty, Earth and Mineral Sciences*

Physiologiya Cheloveka (Human Physiology) – *Grad Student, Health & Human Development*

Revue Generale du Froid - *Grad Student, Agricultural Sciences*

Revista Portuguesa de Quimica - *Faculty, Science*

Svensk Papperstidning - *Grad Student, Agricultural Sciences*
